The court grants the unopposed motion to include the documents identified in paragraph 3(a), (b), and (d) of the motion in the joint appendix. The court denies the motion to include the document identified in paragraph 3(c) of the motion without prejudice to the filing of a motion for leave to file the document as an attachment to the brief with a request that the court take judicial notice of the document. The corrected brief and joint appendix must be filed by January 8, 2016.
